Why I Love Academic Conferences
This article contains practical information on how make the most of your next academic conference.

Using the word "only" in a wrong manner: "I’m only a technician" or "I’m just a graduate student."
http://biocareers.com/bio-careers-blog/using-word-only-wrong-manner-i-m-only-technician-or-i-m-just-graduate-student
Don’t diminish your value as a highly trained and accomplished scientist. Even the most junior, entry-level positions in research or medicine require considerable achievements.
