**Upcoming Events**

**Notice:**
The July 24, 2015 workshop - **Publish or Perish: Early Career Publishing in STEM** - has been cancelled.

**Get Started in Technology Commercialization (Brown Bag Lunch Seminars)**
Wednesdays, June 10th – July 29th from 12:00 pm – 1:30 pm
Presenters: Mike Devine (FSU College of Engineering’s Entrepreneur in Residence (EIR)), Lawrence Tinker (Eir with the Florida Institute for the Commercialization of Public Research), and Ron Fraizer (EIR in the FSU College of Business)
Materials Research Building, Room 114 – 2005 Levy Rd (Innovation Park)
Description: This brown bag lunch series is for anyone with a technology-based business idea. Would you like to explore the commercial potential of a product/invention that has resulted from University research? Do you have ideas for new technologies with commercial potential? Faculty/students/staff from all disciplines at FSU, FAMU, and TCC – or others from the community are encouraged to participate, learn, share experiences, and network.
July 22 – **Sources of Funding for Tech Startups** (full list available at http://opda.fsu.edu/Events-Workshops/Upcoming-Events)
To register, visit http://getstartedintechcomm.eventbrite.com

**Tools of the Trade Series**
Every Friday from June 5th through August 7th at 1:00 pm
College of Medicine: Room 1301
This summer the Department of Biomedical Sciences will host a professional development series for graduate students, postdocs and anyone else who is interested.
This exciting series of presentations and workshops will run every Friday until August 7th. It is free. Contact Christina Goswick-Childers (cgoswick-childers@med.fsu.edu) if you are interested in participating.

July 24 – Teaching, Including FSU Online (full list available at http://opda.fsu.edu/Events-Workshops/Upcoming-Events)

Life at a Regional Teaching University: Pitfalls to Avoid
July 27, 2015 - 12:00 PM - 1:00 PM (Lunch provided by the OPDA)
Biological Science (KIN) 2057
Presenters: FSU Postdoc Alumna Melissa Cavallin Johnson (University of West Georgia)
Sponsor: Biological Science - Postdoc Workshop
Description: Dr. Johnson will discuss the process for obtaining tenure at a teaching-focused institution, how to conduct research at smaller institutions, problems faced during the tenure process, the importance of mentorship, and balancing career and personal life.

New Postdoc Orientation
Monday, August 17th from 8:30 am to 4:00 pm
Turnbull Conference Center
There will be an orientation for all postdoctoral scholars and their mentors that have been on FSU campus for one year or less. Look for Orientation Agenda on the OPDA website and Registration Procedures. Please inform all postdoctoral scholars in your department and around campus of this important new event. If you have additional questions, please contact Debra Ann Fadool at dfadool@bio.fsu.edu or opda-info@fsu.edu

It can take several years to land a tenure-track position, even for exceptional candidates. Should you continue to pursue a tenure-track position? Learn how to evaluate your future career options.

From Rising Star to Target Practice
Cultivating valuable relationships with colleagues is essential to ensuring your success. Build a network of supporters, develop strong ethics, and be competent in your position.

Ignore the Haters and Toot Your Own Horn
Promoting your work is an essential task, but it may not come easily to some academics. Don't shy away from sending your publications to colleagues, peers, and influential people. Use talks, workshops, and conferences to network and to make small talk.
