Part time intern position available in FSU’s Technology Commercialization Office

This is a part time intern position which will provide insight into and experience in technology transfer procedures and practices through working on actual commercialization activities and observing office activities. The position will require at least 10 – 15 hours per week, with some flexibility, working with the staff in the Office of Commercialization. Initial activities will entail activities such as market analysis, commercial assessment of inventions or prior art searches as expertise and need determine and producing summaries of disclosed technologies. The position will provide experience and an understanding of an alternative career.

It is preferable for the intern to have a biological or chemical background. We do require that the intern have the full support of their post-doctoral advisor.

If you are interested in this position please send a cover letter and a copy of your resume/CV to Brent Edington at bedington@fsu.edu by September 3, 2014 at 5pm.

Please direct all questions to

**Do you know how to use the wide range of multi-media in FSU's Technology Enhanced Classrooms (TEC) effectively?**  
Friday, September 5, 2014; 3:30 pm – 5:00 pm  
Bellamy, 021  
Presenter: Wayne Wilson, TEC Trainer  
The TEC classrooms are outfitted with LCD projectors, document cameras, wireless microphones, VCRs, PC, MAC, touchscreens, DVD players, CD players, remote mouse, often two screens, overhead projectors and more. Using multi-media properly can enhance teaching, therefore the emphasis of this workshop is selecting and using multi-media optimally. **Are you prepared to use Netiquette in your online communication?**  
Thursday, September 11, 2014; 2:00 pm – 3:00 pm  
Scholars Commons, 5A, Strozier Library  
Presenter: Dr. Joe Clark, Assistant Director for Instructional Development, FSU Office of Distance Learning  
Do you use netiquette when you communicate online as a graduate student, instructor or postdoc? During this workshop you will gain an understanding of both positive and negative online etiquette, also known as “netiquette”. Are you aware that words “once on the web” will always “remain on the web” somewhere? What is the best length of messages? How much should you share online? Attend this workshop to improve your online presence. Registration is required, visit https://fsu.qualtrics.com/SE/?SID=SV_0d0z4RtE5Ifi0Bv
