Our Programs

The RAD program has been in place at FSUPD for several years, trained thousands of women and has proven to be a very popular program.

The Adopt-A-Copp program is a way for FSUPD to provide positive interaction with its residence hall students in a unique capacity. The Adopt-A-Copps conduct educational and crime prevention programs, attend hall and staff meetings, and conduct periodic security checks of their halls. Adopt-A-Copps can become very popular in their halls!

The Florida State University Police Department saw a need to provide an “inside view” of law enforcement operations to our campus community. We developed a curriculum and invited campus members (Faculty, Staff and Students) to join us for the Citizen’s Police Academy.
