## How We Train Our Employees & Students

### RUN HIDE FIGHT

In many cases, there is no pattern or method to the selection of victims by an active shooter, and these situations are, by their very nature, unpredictable and evolve quickly.

# Emergency Blue Lights On Campus

Florida State University controls more than 400 blue light phone kiosks, which, when activated, flash a blue light strobe and ring directly to the police department in case of emergency.

**Rape Aggression Defense**

**Adopt-A-Cop Program**

**Citizens Police Academy**

## Our Programs

The RAD program has been in place at FSUPD for several years, trained thousands of women and has proven to be a very popular program.

The Adopt-A-Copp program is a way for FSUPD to provide positive interaction with its residence hall students in a unique capacity. The Adopt-A-Copps conduct educational and crime prevention programs, attend hall and staff meetings, and conduct periodic security checks of their halls. Adopt-A-Copps can become very popular in their halls!

The Florida State University Police Department saw a need to provide an “inside view” of law enforcement operations to our campus community. We developed a curriculum and invited campus members (Faculty, Staff and Students) to join us for the Citizen’s Police Academy.
