L’ORÉAL USA FOR WOMEN IN SCIENCE

NIH Blueprint for Neuroscience Research

HHMI's Hanna H. Gray Fellows Program

NIH National Institutes of Health
Office of Extramural Research
L'ORÉAL'S COMMITMENT TO SUPPORTING WOMEN IN SCIENCE

Women only make up 24 percent of STEM workers in the United States, only 14 percent of the country’s engineers and 27 percent of computer science professionals. Without appropriate female representation, the potential STEM innovations of tomorrow will be missing half of the talent in our world.
Five women postdoctoral scientists annually receive $60,000 and commitment to serving as role models for younger generations.

Made 75 Awards than $3.8 million in grants since 2003.

Administered by AAAS

Completed applications are due January or February. Award will be announced October 2019.
The eligibility criteria are as follows:

- Must have a conferred PhD
- Postdoctoral researcher throughout the fellowship year
- American born, naturalized citizen or permanent resident
- U.S. based academic or research institution
- Must commit to at least twenty hours of activity in support of women and girls in science (e.g. mentoring, classroom visits, media, events)
Laura Lapham, Ph.D.  
Associate Professor  
Chesapeake Biological Laboratory  
University of Maryland

Postdoc with Jeff Chanton  
............use novel seafloor instruments to obtain in situ methane concentrations and study in situ processes.

Postdoc with Nora Underwood in Biology.

understanding the factors that control plant population size, important in addressing environmental and economic problems created by invasive and weedy species.
F99/K00 PA-18-398

• NIH Blueprint Diversity Specialized Predoctoral to Postdoctoral Advancement in Neuroscience (D-SPAN) Award (F99/K00)
• 15 Institutes, Centers, Office
• 1-2 years as late-stage PhD student - transition
• 4 years mentored postdoc
• April & Dec Deadlines
F99/K00 **PA-18-398**

- (D-SPAN) Award (F99/K00)
- PhD student – NRSA Salary level + $1000 travel to Blue Print Conference
- Postdoc - $50,000 + $3000 allowable costs + $1000 travel to Blue Print Conference
- Citizens, Permanent Residences
- April & Dec Deadlines

F99/K00 **PA-18-398**

- **Specific Aims:**
  - **Aim 1:** The Dissertation Research Project: Progress thus far
  - **Aim 2:** The Dissertation Research Project: Work to be completed during the F99 award period
  - **Aim 3:** The Postdoctoral Research Direction - include technical and career development skills to be acquired; **mentor** need not be identified.
Research Supplements to Promote Diversity in Health-Related Research

Hanna H. Gray Fellows Program

The Hanna H. Gray Fellows Program supports early career life scientists in academic labs across the U.S.
Hanna H. Gray Fellows Program

• Components of the Application
• Applicant’s educational and training record
• Personal statement experiences and career goals
• Overview prior research experience
• A list of publications with statements of significance
• Summary of planned research for postdoctoral phase

Dates

• January 9, 2019: Applications due
• January 16, 2019: Mentor and reference letters due
• Late April 2019: Notification of status
• June 23–25, 2019: Finalist symposium
• Late June 2019: Notification of awardees
• Mid-July 2019: Intent to accept award due
Hanna H. Gray Fellows Program

• Components of the Application

• An evaluative statement provided by the applicant’s research training mentor

• A statement of support with a training plan provided by the postdoctoral training mentor

• A curriculum vitae and list of prior trainees provided by the postdoctoral training mentor

Dates

• January 9, 2019: Applications due

• January 16, 2019: Mentor and reference letters due

• Late April 2019: Notification of status

• June 23–25, 2019: Finalist symposium

• Late June 2019: Notification of awardees

• Mid-July 2019: Intent to accept award due
